

Feminist Bookstores

In addition to serving those who live in and travel to the below locations, these women/Lesbian-owned bookstores (in alphabetical order) offer online or e-mail ordering, with one possible exception as noted below. We strongly encourage you to support them when you buy books. They can often special order any book for you. It is important to do what we can to keep these remaining few women's bookstores open as they struggle to survive against multiple challenges.
