Dear Lesbians and Supporters of Lesbian Lives,

I came out as Lesbian in 1979. Since then, I've been an OUT and PROUD feminist Lesbian and social justice activist.

I heard about OLOC in the late 1990s when they held the National Gathering in Minneapolis, Minnesota. At the time, I was working at Amazon Feminist Bookstore (the one true Amazon). I was too young to join OLOC and had to be given special permission (because of my age) to sell books at the Gathering. I so longed to join this organization of feisty Old Dykes! I waited and waited. When I “came of age” (60 in 2015), the first thing I did was join OLOC. In 2018, I started a chapter in Rhode Island. Since 2019, when I was able to attend my first Gathering, I've been an active volunteer.

**There are many ways in which being connected to OLOC has supported me, especially during these COVID-19 times.** Through regularly meeting with our chapter, participating in Zoom events, reading the OLOC publications and the groups.io forum, and working with the Steering Committee on the Strategic Plan, I've been able to keep my radical feminist Lesbian strength and vitality.

OLOC helps me—and I know many others—to fight isolation and stay connected with other Old/Elder Lesbians. I remain hopeful for my future as an old woman fighting ageism in the midst of (and in spite of) this time of war, violence against women, on-going racism, and environmental and political crisis.

This is Give Out Month! From **June 1 to June 30**, please consider giving to OLOC and sharing this with all your friends and family. **The funds raised from Give Out Day will be designated to translation services so that Spanish-speaking Old/Elder Lesbians can take fuller advantage of all that OLOC has to offer.**

With gratitude for your generosity,
